ШАГ 4

В разделе «My profile» выбираем пункт «Circle Savings/Cruise Credits» и в поле Future Cruise Credits видим сумму и срок использования.

The screenshot shows the Princess Cruises website interface. At the top, there is a navigation bar with the Princess logo and links for 'Plan a Cruise', 'Onboard Our Ships', 'Destinations', 'Booked Guests', and 'Contact Us'. Below this is a 'My Princess' header. A dark navigation bar contains 'Home', 'My Profile' (with a dropdown arrow), and 'Saved + Cruise with Me'. The 'My Profile' dropdown menu is open, showing options: 'Account/Contact I', 'Cruise History', and 'Circle Savings/Cruise Credits' (which is highlighted with a grey background). A red arrow points from the 'My Profile' dropdown to the 'Circle Savings/Cruise Credits' option. Below the dropdown, the text 'Princess Cruises Account' and 'Member # 8546390772' is visible. The main content area features three sections: 'Future Cruise Credits' (circled in red), 'Onboard Credits', and 'Circle Savings Help'. The 'Future Cruise Credits' section contains the text: 'Any available Cruise Credits can be applied to your next Princess booking. The credits are used against the cruise fare paid with Princess. They may not be used for additional purchase such as transfers, taxes or airfare.' A red arrow points upwards from the bottom of the page towards the 'Future Cruise Credits' section. The 'Onboard Credits' section includes a 'Balance' label on the right and text about applying credits to onboard purchases. The 'Circle Savings Help' section includes a 'View details' link.
